For the attention of Elaine McCall

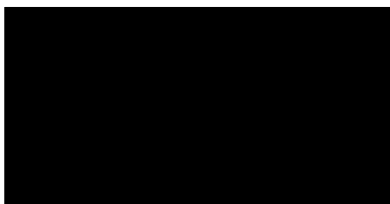

Dear Madam

**ENVIRONMENTAL ASSESSMENT (SCOTLAND) ACT 2005
SCREENING DETERMINATION – WEST LOTHIAN COUNCIL CORPORATE PLAN 2007-
2011**

As per Section 8 of the Environmental Assessment (Scotland) Act 2005, West Lothian Council, as the Responsible Authority, has determined that the Corporate Plan 2007-2011 is a high level plan that, in itself, is not likely to lead to significant environmental effects. Plans, programmes and strategies that are brought forward by the council to implement the Corporate Plan will, where required, be subject to SEA.

West Lothian Council, therefore, formally determines that the Corporate Plan will not require an environmental assessment.

Yours faithfully

Steve Field
Head of Development & Regulatory Services
