

## Evaluation Questionnaire Client Comments

“Gives me a sense of someone cares”

“Your worker has treated me with great respect”

“I worry too much, I get into my head I cant manage, but with support I can”

“I have been helped to claim lots of things I did not know I was entitled to”

“I have nothing to complain about as your staff made me feel at ease since the very first visit.”

“They treat you as a human being and not as a piece of dirt.”

“It was difficult to accept help as I had never had help in the past and I am extremely shy. This service has been very good to help me do things I could not before”

“I have not been well and would not have been able to do most of the things I have. I also get help with personal care now. It can be quite confusing after hospital discharge, due to lots of people coming in. My worker helped me through this and made it easier.”

“My treatment has been excellent”

“Outstanding and very helpful. I wish there was more people like them. They put my mind at ease as I was in a terrible state.”
